

JSM 2026 ENVR Graduate Student Mentoring Session

ASA Section on Statistics and the Environment

ASA Section on Statistics and the Environment

📅 Date & Time

Tuesday, August 4, 2026, 12:00–1:00 PM EDT

📍 Location

Thomas M. Menino Convention & Exhibition Center,
Room CC-259A

🕒 Application Deadline

June 22, 2026, 5:00 PM EDT

Why Attend?

The ENVR Graduate Student Mentoring Session connects graduate students with experienced statisticians from academia, government, and industry.

- Career development and job opportunities
- Research pathways and collaborations
- Networking with environmental statisticians
- Small-group mentor discussions

Application: Submit a brief statement, maximum 400 words, describing research interests, career goals, and what you hope to gain from the session.

Eligibility: Master's or Ph.D. student in 2026–2027, ASA and ENVR member, and attending JSM 2026.
